- a. Request continuation of funding for a couple of projects
 - i. National FFA Convention career show participation to reach out to high school FFA students about swine veterinary medicine
 - ii. Sponsoring Larry Firkins to visit veterinary schools to discuss food animal vet medicine, business topics and AASV
 - iii. Consider funding another Pre-vet Swine program at U of Guelph (Cate Dewey) with intention of expanding the program to other schools to encourage pre-vet students in non-traditional Ag schools to consider food animal and swine practice.

4. 2012 Plan of Work

5. Determine if to continue with past events and assign coordinators:

- a. **NPIF Grants**
 - i. Discuss if this has continued funding (Amanda)
- b. **National FFA Convention**
 - i. Continue participation in the “vet row” area of the career show
- c. **AASV Student Website/Internship List**
 - i. Keep available to students on AASV website
- d. **AASV Facebook Page**
 - i. Not getting a lot of interaction – continue?
- e. **Larry Firkins Visits**
 - i. Need to continue these valuable visits!
 - ii. Larry would still like someone to replace him.
- f. **Pre-Vet Symposium**
 - i. Determine our interest in involvement next year after we learn where the Symposium will be held.
- g. **Vet Hunt**
 - i. Continue to conduct this scavenger hunt for students to facilitate networking between students and vets
 - ii. Companies to donate prizes.
- h. **Student Speed Interviews**
 - i. Will try to continue to facilitate networking between students and vets for jobs, externships, etc.
 - ii. Need to follow up with participants to get feedback for improvement
- i. **Student/Recent Grad Survey**
 - i. Have decided that we don't need to repeat this survey annually, however some follow-up needs to happen following last years survey. Particularly Website tutorial for students at AASV Meeting, directing them to intern list/employment sections. Perhaps this can be tied into the Facebook page?
- j. **Guelph Pre-vet Project (Blaine to follow-up with Karen/Dr. Dewey)**

- i. Karen Richardson gave a presentation outlining the Pre-vet outreach program U of Guelph ran this year. (Dr. Dewey was unable to attend)
- ii. This program was very well received by prevet students in Guelph, having 12 students with science/biomedical backgrounds (non-ag).
- iii. We encourage the board/foundation to continue funding the program to allow it to develop further (get the wrinkles out if there are any) and perhaps expand it to be a certificate program for pre-vet students in other “traditionall non-agriculture” schools.

6. Please return this form to me during the committee leaders’ luncheon or email to me (snelson@aasv.org) by Mon. evening Mar. 8th.
