*Switching of PI Chair—Sarah to Todd*

.....

*Getting committee structure to retain vitality and organization → Committee membership update (Permanent agenda item)*

- Switch committee chair to two year term
- Elect vice chair to assist Todd and prepare to move to committee chair for Todd in two years (March 2015)
- Do we have members that reflect AASV and mission of committee?
- Terms for rotating seats: 2-3 company vets, 2-3 private practice vets, at least 1 mixed animal vet
- Industry reps: 3-4 seats plus others welcome but we want to be sure not overwhelming on-farm perspective
- CPAC rep
- “Permanent” seats:
- At large volunteer members and post seat members

.....

*Review Mission Statement for Relevance (permanent agenda item for AASV)*

**NEW: Pharmaceutical Issues Committee Mission Statement:** To monitor swine practice drug issues and to recommend Association/member actions. To develop educational materials espousing appropriate drug use and to work with programs of the National Pork Board.

**OLD:** To monitor the activities of government and commodity organizations as they relate to matters pertaining to drug availability for swine practitioners and to keep the Association aware of matters associated with drug availability. To develop educational materials dealing with correct drug use and work with the Pork Quality Assurance Program of the National Pork Producers Council.

Any changes?

.....

*Standardizing how to appropriately keep drug records for groups of pigs in order to satisfy PQA and various packer requirements—please prep for this discussion—Sarah or Todd will lead*

- Issues of labeling for prescription products and so on are coming up on these audits, in addition to disposal of empty bottles and partial bottles, etc...

*ADUFA reauthorization and the potential for mischief surrounding it*

*CPAC update*

- Veterinary Notification Policy for Residues—Jim McKean
- Revising Compounding Policy—Document from Dr. Kober

*Yellow Card Antibiotic Restrictions—Liz Wagstrom*

*New sampling scheme and multi-residue test has been causing concerns but I may not have heard—Liz Wagstrom*

*Other issues?*

*END MEETING, SCHEDULE ANY CONFERENCE CALLS, ETC.*
