The "All American Road", one of the most scenic byways in the United States, guides you along the North Shore.

Characterized by alternating rocky cliffs and cobblestone beaches, the North Shore offers some of the state's most beautiful parks, with rushing rapids, and towering waterfalls. The region also offers spectacular panoramic views that stretch for miles as well as beaches perfect for skipping stones or searching for agates.

Nestled along the Sawtooth Mountains, boreal forests cover rolling hills and ridges through which scenic rivers and waterfalls descend as they flow to Lake Superior. These boreal forests are known as Minnesota's Northwoods.

Also along the 'All American Road' are small shoreline towns offering restaurants that serve local fish and produce as well as unique shops and art galleries. The quaint, friendly harbor village of Grand Marais is a known arts center.
